

Tabelle 6

Substrate Deficiency																		
Symptoms	Vitamins												Trace Elements					
	A	D	E	K	B1	B2	B3	B5	B6	B7	B9	B12	C	Fe	Zn	Cu	Se	Ca
	Retinol	Cholecalciferol	Tocopherole	Phyllochinon	Thiamin	Riboflavin	Niacine E 52	Panhotenate	Pyridoxine	Biotine	Folate	Cyanocobalamin	Ascorbin					
ICD																		
Drug Interactions																		
Antidepressants																		
Antiepileptics																		
Contraceptives																		
NSAR																		
L-Dopa																		
Cytostatics																		
Antibiotics																		
Sulfasalazine																		
Laxatives																		
Diuretics																		
Dicoumarols																		
ASA																		
Barbiturates																		
Biguanids																		
Tuberkulostatics																		
Steroids																		
H2-Blockers
